## Presenting a New Applied Learning Journey on AI in Diplomacy

# Enhancing Your Strategic Influence with AI

In collaboration with:

Frontline Associates  
REACHING ACROSS THE DIVIDE

## Learning Objectives

Today's diplomats and policy professionals must navigate crises with tools that match the complexity of the moment. This pathway equips participants to:

- Understand the policy landscape of AI
- Apply cutting-edge tools in real-world diplomatic tasks
- Lead AI-integrated negotiations in high-stakes global settings

## For Whom is This Program?

This program is designed for professionals working at the intersection of diplomacy and governance. Whether you represent a state, multilateral agency, or NGO, this pathway equips you with the strategic understanding and practical tools to integrate AI responsibly—enhancing your work without replacing your judgment.

### 2026 Pathway

#### AI Governance Standards & Policy

Geneva, 10 - 11 February 2026

Gain a grounding in shaping the future of AI. Explore global standards, human rights implications, and multilateral approaches to AI governance.

#### Practical AI for Diplomats & Civil Servants

Geneva, 12 - 13 February 2026

Acquire AI tools tailored for diplomatic and policy practice—from analysing context, assessing positions to mapping stakeholder and leveraging influence.

#### Applied AI for Diplomats

Geneva, 13-14 April 2026

Explore the advanced use of AI in high-stakes negotiation, and learn to calibrate AI tools for strategy, trust-building, and rapid human-led decision-making.

#### AI Negotiation Challenge

Online 2-3 May 2026

Test your skills in a global negotiation simulation using your own AI assistant. Compete and share your experience with teams from around the world.
