

# AI ESSENTIALS

## LEARNING PATHWAY 2026

*A modular in-person learning pathway designed to equip diplomats, civil servants, and international actors with the essential skills to understand, govern, and apply AI responsibly in global affairs.*

GENEVA  
GRADUATE  
INSTITUTE

EXECUTIVE  
EDUCATION

### Upskill 1: AI Governance, Standards and Policy

**Dates:** 10–11 February 2026

**Fee:** 880 CHF

**Format:** 2 days in-person

**Speakers:** Roxana Radu, David Manset

What is AI and why must we govern it? This module introduces key AI technologies, their societal impact, and how global actors respond through policy and technical standards.

### Upskill 2: Practical AI for Diplomats and Civil Servants

**Dates:** 12–13 February 2026

**Fee:** 880 CHF

**Format:** 2 days in-person

**Speakers:** Jérôme Duberry & guests

How can diplomats and civil servants use AI effectively and ethically to achieve their missions?

### Upskill 3 : Applied AI for Negotiation

**Dates:** 13–14 April 2026

**Fee:** 880 CHF

**Format:** 2 days in-person

**Speakers:** Claude Bruderlein - Frontline Associates Training Centre (FATC) & AI Experts

Explore how AI can enhance negotiation preparation and execution for diplomats and multilateral actors.

### Final step : AI Negotiation Challenge

**Dates:** April 2026

**Format:** Online

A team-based global simulation designed to explore and enhance the role of artificial intelligence in negotiation planning and managing complex relationships.
