

EXECUTIVE MASTER

Executive Master in International Relations

Personalise your degree to enhance your career in global affairs

The Executive Master in International Relations is a **pathway** that is designed for professionals and is compatible with full-time positions. It offers you **maximum flexibility** by choosing specific thematic courses covering all areas of international relations based on your specific interests and career goals.

Admission to the Executive Master is granted **once participants have completed three CAS programmes (or one DAS and one CAS) and attended the mandatory Executive Course**. After meeting these requirements, participants may register for the Master's thesis.

This Executive Master will upskill you to **become a key player and effectively navigate today's complex global affairs**. You will benefit from a recognised degree (60 ECTS) from the oldest European school dedicated to international relations.

Key benefits

- Earn an Executive Master's degree from a recognised University in International Relations to complete your credentials
- Become efficient in your engagement to grow your impact in the new international order
- Acquire the tools, skills and network to pursue your career goals
